

Community Conversation: Housing

Newstead 2050 Inc. is hosting a conversation about housing in the town and surrounding area.

It will take place on Thursday November 13th at 7pm in the Community Centre.

Why don't you come along and join us?

If you want to

- find out what Mount Alexander Shire Council is up to in developing future affordable housing in the shire;
- hear from members of the new Housing Trust;
- share your questions and views with local representatives

We will have a presentation from Clare Richard, the Council's Housing Solutions Broker, and we will have a QnA with the audience. The local councillor Matt Driscoll and local developers will also be available to offer updates.

As always, we will provide a report back on the event to N2050.

Everyone needs housing and the future sustainability of Newstead depends on the right houses in the right place at the right time – affordable and attractive! Come along and tell us what you think!
